Customer Reviews

I took this book out of curiosity, and I'm really impressed! The last few days I have prepared several dishes from this book. Earlier I never prepared any of the Indian Jamaican cuisine. I have to admit that the recipes are easy to follow and easy to prepare. My sincere recommended!

Wonderful looking recipes. A nice variety. And as the title says, looks easy to prepare. I can't wait to try them all!

Not really the typical Jamaican cook book. Did not see the national dishes such as: Akee and salt fish, red bean soup with spinners and curried goat. Recipes look good though!

Recipes are simple and tasty. Nutrition information is included although if you are concerned with saturated fat content it is not provided.

All your favorite recipes, easy methods. Love it!
