Synopsis

[Siren Publishing: The Stormy Glenn ManLove Collection: Erotic Alternative Paranormal Romance, shape-shifter, M/M, HEA] Sinclair Now that I had replaced Councilman James as leader of the panther shifters, I figured life would get a little easier. Boy, was I wrong. Between losing my mate and the attempts on my life, I have to find out what happened to seven missing shifter kids, and I don't know who I can trust. Stonel had made myself stay away from my mate for years out of a sense of guilt. That all ended when I discovered someone was out to get him. In order to keep Sinclair safe, I'll have to do something I never thought I'd do...ask for help. Note: This book is written in the first-person point of view of both main characters. ** A Siren Erotic Romance

Customer Reviews

What a dangerous bunch of men, but they love and trust each other. Would like to see a few more books in this series. This book shows an interesting dynamic in the world what a family can be.

Love these assassins. Ready for Book 3.

Warning this is not a stand alone, read Just Bob first. I totally fell in love with James as one of the group, while not sure who I wanted to slap. James or Sampson. How can so many things go wrong? Will love win in the end? I couldn't put it down until I had the answers. Wonderful story that's going on my reread pile.

I Loved it it was great and I really can't wait to read the next one in this series...And I hope it really soon too.....
