## **Customer Reviews**

I love Vietnamese food and the recipes in this book are no different. The spicy green beans are so good it's hard to stop eating them. I'd have never thought to add the tomato or the garlic but they're the perfect addition. The recipes are so easy to follow and most of the sides don't specifically have to go with an Asian meal to be delicious. I love catfish and was really surprised to see a catfish recipe here, as catfish is largely ignored in the culinary world unless it's being fried. I'd definitely recommend this one

This book is a gem! I've always loved Vietnamese food but have never tried any desserts from that area. The misty pumpkin cakes are so flavorful and fluffy, I'm having trouble trying not make them every day. The tilapia tsunami recipe is so delicious and savory! It tastes just like the 5 star restaurant across town! The curry chicken is not too spicy, but perfect for whipping up something amazing pretty quick. I love the addition of the Asian fish sauce and it makes it taste so authentic. This book is a must have!

Yum.

This book desperately needs an editor! The pictures of the food do not match the recipes. These are not authentic recipes.

Great book!
