Five Little Monkeys Jump In The Bath (A Five Little Monkeys Story)

Synopsis

When five little monkeys eat some ice cream and play in the mud, they become icky, sticky monkeys . . . and Mama says it's time for a bath! But even after those silly little monkeys scrub themselves clean, they find a way to get mucky all over again. Toddlers will giggle over the wild monkey antics, rhyming refrains, and expressive, up-close monkey art in this brand-new board book.

Book Information

Lexile Measure: 310 (What's this?)

Series: A Five Little Monkeys Story

Board book: 20 pages

Publisher: HMH Books for Young Readers; Brdbk edition (October 9, 2012)

Age Range: 2 - 3 years

Grade Level: Preschool and up

Customer Reviews

Eileen Christelow was born in Washington, D.C. and grew up in a family of avid readers. It was in high school that she first made the leap from reader to writer, publishing her first stories in her high school's magazine. After studying art history and drawing in college, she discovered a love of photography and began building a career as a photographer. Her interest in children's books was always strong, and after the birth of her daughter, she began thinking about writing one of her own. Her first book, *Henry and the Red Stripes*, was published in 1981. Since then, she has written and illustrated numerous best-selling picture books including *A Ten Popular Books about the Five Little Monkeys*, *Letters from a Desperate Dog*, and *Vote!* She lives with her husband in Dummerston, Vermont, and you can learn more about her life and work on her website,

www.christelow.com and on www.fivelittlemonkeys.com

My daughter is the hugest fan of Five Little Monkeys Jumping on the Bed, so we got a couple more in the series. It's just not the same without the singsongy rhyming. This book has a more traditional storytelling, and isn't rhythmic like the original (I assume the bed one is the original), so it isn't as beloved, nor as fun to read out loud. It's a cute little book, though.

I got two of these books which are really good ('jumping on the bed', and 'reading in bed'). Which is why I thought I'd purchase more from this author. But this one is terrible! just awful! It just feels thrown together with very little thought. Trust me...skip this one.

The pages are shiny and thick. It was nice to have 5 stories in one book.

I always love the 5 little monkeys!!

Love all of the Five Little Monkeys books!

Child loves these books

Cute version of original story

Fun!
