DeLaurenti is a Seattle staple and treasure. For years I have spent Christmas Eve with my family bumping up against the masses trying to pick our cheeses, meats and other treats we need to celebrate the holiday. What I love best about the store is how it serves as a way to escape to some of my favorite places in my mind with the food they offer. This book is an incredible guide to the depth of knowledge you find in the store. Go no! You will love it! --Rene Erickson, Boat Street Cafe, The Walrus and the Carpenter, The Whale Wins, Barnacle, Narwhal & Boat Street Pickles
DeLaurenti is the Pike Place Market jewel. This book is a wonderful collection of irresistible recipes, ingredients details and food philosophies that have created the Seattle icon that we know as DeLaurenti! --Leslie Mackie, Founder, Macrina Bakery

Pat McCarthy has spent over 20 years in Seattle's food environment: from Torrefazione Italia to Pagliacci Pizza, Macrina Bakery and, of course, DeLaurenti Food & Wine. Pat is the proud parent of Jack and Claire and when not in the store, enjoys riding his bike, running, cooking and eating with friends.

Opening this book is being reintroduced to all the things I adore about DeLaurentis. You just walk into the store and follow your nose and all your senses. Then you try to pare down to a few fresh cheeses (some aged ones, too), some fresh pasta, some salami and prosciutto ... olive oil chocolate.... (oh yeah, pair with the right wine) These recipes are like that. The most elemental, please-every-part-of-your-palate pasta recipes, basic, divine, delicious. A few priceless recipes for meats. Try the salsa verde with anything (they created it for bistecca fiorentina but it's amazing on swordfish). Everything is easy to make. Of course you need great ingredients. But surprisingly, these meals aren't complicated. I've made at least five of these and I'll never tire of them. Beautiful photographs. Should be a staple in the kitchen for everyone crazy about eating and drinking the good stuff.

This is my new favorite cookbook! I love the comments and information about each of the recipes- it feels like you are talking with the author in his kitchen! Each recipe I have tried has been excellent and it is a beautiful book to display into kitchen.
