This book is for all contemplating marriage, partnership, divorce, becoming an item, living together or whatever!It is also a must read for any endeavouring to guide and counsel others. It is also for the rest of us.It is light-hearted but gives sound Biblical teaching on true romance. It provides a clear and reasoned presentation together with vast experience of the authors of the steps leading up to a successful marriage.The book takes account of the fact that God appeared on the scene of human history as a matchmaker - an intimacy revealed first between God and man and then between man and woman - a pattern He has ordained to stand unchanged until the end of human history.The miracle Jesus performed, changing water into wine showed how much He cared about marriage and how much He aligned Himself with His Father.There is an area of holy mystery about this book that is revealed for the reader.

This book was amazingly insightful. I read it through a second time right after I finished it the first time. I was afraid to read it at first because I am 50 years old and have yet to be married and was afraid it would seem harsh and take away my hope. But I stead it strengthened my faith in a loving faithful Father and totally encouraged me to continue to trust and wait on God.

This is essential reading for anyone even remotely interested in marriage. Mr Prince is an anointed teacher, and the Holy Spirit continues to bless through his teaching materials and his on-going ministry, DPM. May God be praised!

I am facing meeting a man whom I trust to be A good and Godly man. This book has given me much to pray about and be ready for as that day approaches. I pray Gods guidance in this. We both feel God has matched us.

The book is written in easy to read language and contains deeply insightful spiritual thoughts. I will recommend it as mandatory reading for everyone considering marriage. But it is also useful for the average believer given that the relationship between Christ and His church is the basis of matrimonial unity. I benefitted from this book personally although I am not married, or considering it either.

Very Biblical and my son found a godly young woman, he loves, abiding by the principles much like in this book

This book has renewed such hope and assurance that God really is in control and that he has a plan for my life and future, if I submit to His leading and His will. Reading the testimony of both Ruth and Derek encouraged and excited me. It also made me appreciative and grateful that I am still single, and that I'm able to wait for God's best, instead of settling for whomever I'd chosen on my own, who may not have been the perfect person for me. This is a must read for all singles who are following Christ.

I was so AMAZED about the principles that were taught by Derek & Ruth Prince on discovering your mate in God is A Matchmaker. After reading this book it literally revolutionized my entire belief system on marriage. I RECOMMEND this book to all single men and women. Awesome. I will read it again, and again.
