# Feminist Activity Book

## Synopsis

Looking to smash the patriarchy and get your arts and crafts on? Want to have a laugh while taking down sexist stereotypes? Look no further than Gemma Correll's Feminist Activity Book, where your dress up doll can wear whatever she wants and the only thing limiting your sexuality is the size of your colored pencil collection. Welcome to the games, coloring projects, and crafts of your egalitarian dreams! The Feminist Activity Book has everything you need to usher in an era of colorful and intersectional joy. Featuring such activities as Feminist All-Star Trading Cards, Destroy the Page-Triarchy, Sexist Social Media Bingo, and A Feminist ABC, The Feminist Activity Book will fuel your feminist rage, remind you to laugh once in awhile, and bring you one step closer to an egalitarian utopia, or whatever.

Bought as a gift for my best friend (in her mid-twenties) and she loved it!

My sons daughter loved it.

Great

This book is so awesome and fun!

Really cute activity/coloring book for any feminist of any age to have some fun filling in.

This book is fantastic - each page is just as great as the ones in the preview. I got it for an inspirational friend going through a personal loss to remind her what a boss she is. There is a lot of useful information/history of feminism interspersed with personal activities ("favorite feminist book," "does your favorite movie pass the Bechdel test," etc. So much fun.

Such good times. I mean honestly, Male nipples, page to shred the patriarchy AND i can design my own condoms?!?!?! LOVE LOVE LOVE

This is hysterical. There isn't actually all that much to color and the activity's are super easy... Well the crossword is difficult because there are clues missing., but it's still worth the purchase for the amusement.
