Orchestra Expressions: Violin, Book 2, Student Edition

Synopsis

Orchestra Expressions(tm) provides music educators at all levels with easy-to-use, exciting tools to meet daily classroom challenges and bring new vibrancy and depth to teaching music. The lessons were written based on the National Standards for the Arts in Music -- not retro-fitted to the Standards. The program is music literacy-based and satisfies reading and writing mandates in orchestra class. The pedagogy involves a "four-fingers-down" start for every instrument and separate but simultaneous development of both hands. Each student book features an attractive full-color interior with easy-to-read notes and includes: -A 59-track accompaniment CD that covers Units 1-15 (a second CD covering Units 16-33 is available separately, individually as item 00-EMCO2006CD or in a 25-pack as item 00-EMCO2007CD) -Historical notes on some of the most notable composers of orchestral music -A thorough glossary of musical terms -Scales and warm-up exercises Future reprints may be printed with black and white interiors. This title is available in SmartMusic.

Customer Reviews

I've given this as a gift. It was perfect! Thank you!

Very nice to have a good selection of tunes and exercises while learning the basics of playing with some music history thrown in for good measure.

I purchased this book for my daughter, she takes violin lessons at school and this is the book they are using. Great price and prompt shipment
