Truly blessed!

We are pleased with this book and the provider did a great job sending it quickly to us. We will return when looking for other books.

Believe me as I have gotten older, and can see it is very important to pray for your pastor for how this world is changing . And you want to be a prayer warrior for your pastor , this is the book you need . I myself say 10 stars for this book

this has to be the best little book of prayers. I believe praying is essential if one desires for our Lord to give him/her peace. This book is full of scriptures which is the will of God for not only pastors but for everyone. When one does not know how or what to pray i think this book of prayers helps a person to pray the will of God for others. Very, very good book. i recommend this book to anyone

that desires to pray.

This is an awesome resource for prayer. Every church member should pray for their pastor. If you don't pray for your pastor then you deserve what you get! This is the place to find scriptures that fit just about every need. You do not want to miss the opportunity to have prayers right at your finger tips. Once you get started you will not want to stop. That's how easy and powerful this book makes prayer.
