Customer Reviews

Same 26 transcriptions as "BEST OF KISS FOR BASS (Bass Recorded Versions)". Save your money and buy the \$19.95 Hal Leonard "BEST OF KISS FOR BASS (Bass Recorded Versions)". Nice collection either way. Same 26 transcriptions.

this is a good buy out of the kiss set i reccomend it to everyone i will b buying the other two

It is in Tablature which is rare. And the tracks are a great selection from past albums (on cover). Great for learning the style of these artists. Thanx. Steve.

Great songbook could have a few more songs in it, but still a great buy. These are getting harder to find.

So, Truth be said I GOT TO CHOOSE this LARGER THAN LIFE calendar for my hubby as this was no PARASITE, was he so suprised! He loved it and thought it was HOTTER THAN HELL. He is a KISS Fanatic and he adorns his business office with this calendar, Needless to say he turns a lot of heads from it! But, this is one he will keep FOREVER, I hope. Love, DOMINO XXX

Nice

I am using this book as a teaching tool for a 13 year old student. It's put together very well and my student loves it.

So many of the KISS tab books have the same old titles. This has a few new ones that make this a "must have" for any KISS loving guitar player. Most notably, "King of the Night Time World". Also, the acoustic version of "Beth" is a welcome addition.
