Customer Reviews

Great book of songs and composer, great arrangements for piano.

Almost all the big band songs I've enjoyed over the years like Boogie Woogie Bugle Boy, and many others including lots of what are now jazz standards, many from 1930's movies, plus lots of Glenn Miller and Cole Porter hits. The sheet music seems like the original as published and is fairly easy to read. Most songs fit onto 3 pages. I haven't seen any collection with anything close to as many of my

favorite big band hits.If only it were spiral bound or something so it would stay flat - I make copies of the sheets so I can keep them flat on the piano music stand

Good collection of sheet music
