# Organize Now!: A Week-by-Week Guide To Simplify Your Space And Your Life

## Synopsis

Get Organized Fast! Clutter has a cost. It steals your storage space, robs your time and energy, and takes away the peace and beauty of your home. Don't pay for it another minute! Get organized, now! This updated and expanded edition of the bestselling Organize Now! features even more quick, effective organizing ideas. Easy-to-follow checklists show you how to organize any part of your life in less than one week. You spend more time organizing and less time reading! A perfect fit for your busy lifestyle! Long-term goals help keep the clutter away for the months and years to follow, so you can maintain the order you create. You'll find help with everything from time management and routines to mental clutter, paperwork, pets, purses, toys, rooms and life events such as moving and celebrating the holidays. Special money saving tips show you how to use your organizing efforts to cut costs around the house and even make a little money. Don't let piles of paperwork, overflowing closets and overbooked schedules drain your resources and energy anymore. Take control with Organize Now!

So you want to get organized? Well, I am so glad you are considering my book to help you on this path. I can tell you this: if there is a will there is a way. ANYONE can get every area of their life organized by following the goals and tips in Organize Now! I wrote this book because I feel that there are too many "long-winded, novel-like" books about getting organized. I know from being a Professional Organizer (for 10+ years) that when people are overwhelmed by clutter they don't want to waste time reading, they want to get it done! They hire me because they want me to

Tell-Them-What-To-Do (as quickly and painlessly as possible).Â This book does just that.Â I have left out the fluff and written a step-by-step plan to get YOU organized.Â Organizing is my passion but my mission is to help each of you clear the clutter so that you may start living the life you dream about.Â Best of luck!Jennifer

love this book it really helps keep me focuses and organized

I have been spending more time cleaning than I needed to. Thank you for helping me to understand a better plan than what I had in place. Great book! I highly recommend it. SR

I am a fairly organized person but all people would benefit from the advice that the author has to give. It has helpful hints, step by step guidance, and just great ideas in general. This book covers just about all the categories that I can think of. All the way from organizing your papers, kids room, basement, financial life to organizing a funeral, party, garage sale and so on. Like I said, a great book to get you started on being organized.

Very helpful for "downsizing".

I like this book and looking forward to reading it. Just wished it was more detail. Like day to day since I am a beginner in trying to organize. But besides that, it seems good.

Fantastic book, I love the way it's so clear and concise. I still am re-reading it

This very helpful book gives structure to my organizing projects. I found the instructions to be simple and the checklists totally do-able. I really appreciated the sections on organizing life events and yourself. It has kept me organized throughout the year.

This is helping me to be more organized, and not feel overwhelmed in the process.
