# Deceit: Desert Reapers MC

## **Synopsis**

She loves animals, but she's never met a beast like me. She's the kind of girl who shouldn't get mixed up with someone like me. But that was before I claimed her. Before I f\*cked her until she was raw. She had no choice when she stepped into my world. And now this monster won't let her go. She was in her last year in vet school when she met me. Good girls like her don't fall for a monster like me. But she didn't fall for me. I took her. Now she's in a world of trouble. She's about to learn what it's like to be someone's favorite possession. Each time I put my hands on her. Each time I pull her body into mine. Each time I make her moan. Make her tremble. Make her scream. I'll make sure she won't forget that she's mine. Deceit is a full-length, standalone romance novel with steamy hot sex, NO CHEATING, strong language, a happily ever after ending and NO CLIFFHANGERS. Contains dark and disturbing themes, and over the top sexiness that may be uncomfortable for some readers.

## **Customer Reviews**

Great storyline that has a well planned plot that pulled me right into the story and the chemistry between Connor (aka Beast) and Shayna was so hot that I had a hard time putting this book down

until I was completely finished! I voluntarily reviewed an advanced reader copy of this book.

However, I liked it so much that I one clicked a copy and you should too!

Conor is the President of the Dirty Reapers MC but he wants out of the life and Shayna is a trainee vet who waits tables. The two worlds collide in the midst of a poker tournament and the events that unfold have the potential to change both their lives. The premise of the story is compelling; an exciting romantic thriller filled with sexual tension, hot sex and interspersed with fast paced action.. I love it when the heroine is clever and independent and Shayna is just such a character.. her relationship with Conor is a slow burner. She doesn't need his brand of trouble and initially does all she can to keep him at arms length. Conor equally is a bad boy who is used to getting his own way but enjoys a challenge. This is a combination which ensures an enthralling read. I know nothing about poker but was fascinated by the details the author incorporated into the storyline. Clearly she has some insider knowledge. My only criticism and it has nothing to do with the book itself but is about the accompanying blurb which did not describe or represent the story that I read. Hopefully this will change before the book is released. I really loved this riveting story full of great characters and an original plot. I received a copy of this book as an ARC from the author.

I voluntarily reviewed this absolutely fantastic amazing intense exciting read. Shayna Shepard 25 yrs. old was a waitress at Tops Casino. Ted was her boss and wanted Shayna to host in the high stakes poker tournament for 2 weeks 10am-10pm with 250 tables to start then down to 12 in the final week. Shayna told Ted she had to write her final for test to becoming a Vet she loved animals so he told her she could work 3 days before she left then return to finish the tournament. Conor Boyd is 27 yrs. old also known as Beast to his club members of the Desert Reapers MC to which he was the president he was in the high stakes poker game to win and get out of the club for good. Shayna and Beast meet on the first day of the poker game she became his lucky charm he would get her to rap on the table for luck before each game. Beast and Shayna became involved he wanted her to be at his table for every game the chemistry between these two was explosive and the sex scenes between these two well all I can say is WOW!!! talk about scorching hot. This is definitely a must read story you don't want to miss it's a roller coaster ride you can't get off its full of drama, action, suspense, intrigue, murder, secrets, mystery, it keeps you on edge till the very end I highly recommend to read this fantastic story loved the characters and the storyline it was so nice to read a book that was a full on book not just the very short stories that some of these authors write

Evelyn Glass you are an amazing writer and did a fantastic job writing this phenominal story you have to get this book to see what I'm talking about you so won't be disappointed well worth the read.

I have never read a bad book from Evelyn Glass and this one is certainly no different. She really goes deep with her characters, bringing them and their emotions, to life. This book has a bit of everything with passion, rival MCs, high stakes poker, kidnappings, hot steamy sex, alpha male hero and of course, love. Throw in a dog that can do one spectacular trick, and this one is a winner! Absolutely loved this story!! I voluntarily reviewed an advanced copy of this book.Hero, Connor/Beast = 5/5Heroine, Shayna = 5/5Chemistry = 5/5Sex = 5/5Plot = 4/5Mystery = 3/5Action = 3/5Darkness = 2/5Humor = 2/5POV = dualWould I recommend this book = yesWould I re-read this book = yesWould I read future books by this author = yes

This is one of my favorites by Evelyn Glass. There are so many surprises that I couldn't put it down. Shayna is a cocktail waitress in a casino and ends up being a server at the poker tournament. She encounters Conor (Beast) who belongs to a M/C group. He enters the tournament to win enough money to leave the group. Another gang wants his winnings and will stop at nothing including Shayna. Shayna is a fighter and has a goal of becoming a vet. Between the two of them, it's a crazy ride. Conor ends up changing professions and it's not what you think it might be. Lots of imagination and forethought went into this book which makes it better than 5 stars. Love her books. You will too. I received this book as an ARC for an honest review which is so easy when it is Evelyn Glass' books.

Deceit " by Evelyn GlassWow what a great book. This was probably by far one of the best MC books I have read in a long time. This book is about a Casino Hostess named Shayna who is in School studying to be a Veteran. While hosting one of the biggest Poker tournaments in Las Vegas (I love Poker) she meets Conor (or Beast as the MC calls him) and he is one of the players in the tournament. They have instant attraction for each other. This book is filled with so much excitement I could not put it down. Gaming, adventure, murders, love, sex, lust, mystery and romance all rolled into one. You have to pick up this book and read it for yourself. I could tell you more but I don't want to spoil it for you. Great, Great, Great book and I just loved it.
