# Broken Lyric (Meltdown Book 2)

## Synopsis

Nash Bostwick is the sexy, playboy lead guitarist of the world renowned band, Meltdown. He doesn't do love, because love only leads to pain. Then he meets Rowan. Rowan Burns is running. Her secrets are deep and her past is deadly. She doesn't have time for love, nor does she want it. Then she meets Nash. When Nash and Rowan finally take a chance on love, a family tragedy threatens to derail Nash's career. In his search for answers he pushes Rowan away. By the time Nash realizes what he's done, it might just be too late.

## Customer Reviews

Broken Lyric by RB Hilliard a breath-taking five star read. This has been the hardest review I have ever written, it's taken me days as I don't think I can do the book justice with my words. RB Hilliard has out done herself with this second book in the Meltdown series, and I am not ashamed to admit that I am a Meltie. This is my all-time favourite RB Hilliard book, I am a die-hard MMG series fan but Nash Bostwick has stolen my heart, and ran away with

it. Nash Bostwick is the lead guitarist of world famous band Meltdown, he has been there from the start, he has had his fair share of trouble like the rest of the band but sadly for Nash his is really just starting, Nash's mum has faced the big C before and now faces it again, she has her nurse Rowan and that's the only reason Nash feels he can leave his mum while he goes on tour, as he knows Rowan, not in the way he would like, but he feels strongly for her. But sadly, sometimes feelings aren't enough. Rowan Burns is a good nurse, and she would do anything for her patient Maeve and even though she thinks Nash is possibly the hottest man alive, (Who wouldn't) she can't admit her feelings as she has a secret that would bring her world crashing around her ears. When Roses start appearing whose secrets are coming out, hers or Nash's? This story will have you gripped from the beginning to the very last page, I sobbed my heart out when it was over. I couldn't believe that I would have to wait for more Meltdown!! You get sucked into the world. If you buy one book this year, make it a RB Hilliard, possibly Fractured beat, as they you would have to buy this book, as you won't be able to not when you get sucked into the Meltdown world.

Nash Bostwick has left me clutching my heart and has earned 5 amazing stars from me. The man just has everything you could possibly want or need in a strong yet soft alpha lead. I had shivers while he sang the words he had penned for Rowan, the words that only flowed when his emotions of grief, fear and love all collided. Something about a man strumming a guitar while vocalizing his feelings just opens my heart, puts a lump in my throat, and starts my the flow of my own emotions. Here is a snippet of the beautiful words Nash sings, in context, they will melt your heart: Love me now. Show me how, how to be enough. Forgive me. Don't forget me. Please...please don't let me. Don't let me. Please...don't let me go. Don't you f\*\*\*ing let me go. Love me now. Show me how. I promise I'll be enough. Please forgive me. Don't forget to. I'll forever let you. Forever let you. I'll forever let you know. That you are mine...my sweet Rowan. Only mine. And I will never let you go. Broken Lyric is book 2 in the Meltdown series. You can get to know all the boys of Meltdown and start from the beginning with Fractured Beat, but if per chance you fall onto this book first there is nothing to worry about. The author has done a fantastic job filling in the blanks on all the past shenanigans of the boys. In my opinion, RB Hilliard really knows how to throw caution to the wind and comes up with amazing storylines that have you questioning everything and trusting no one. From chapter one, I was craving answers and trying to keep up with who-done-what; it was so much fun. From the beginning we set off on a course and veer off quite quickly in a whole new direction.

The twists and turns in the lives of these characters shocked me and kept me guessing until the very end. There are some real tear jerker moments in this book which totally brought me closer to the characters. RB deals with the very real emotions of death and grief and how they can impact your life and even if youâfÂçâ →â „çve never gone through it yourself, you canâfÂçâ →â „çt help but feel every emotion as the characters do. I totally loved this book; Nash is a heart-throb extraordinaire. He may take a while to recognize his own self-worth and come to terms with his feelings, but that is part of the charm of his character as he starts a budding romance with Rowan. I love the slow burn stories âfÂçâ →â „ç the build-up is intense and makes the whole romance of relationship that much sweeter. Nash and Rowan are both masters of denial and avoidance, until they arenâfÂçâ →â „çt anymore; then the sparks fly. If you like a little sexy time peppered through your romantic suspense novel, RB is pretty good at that. Joy, sorrow, denial, anger, suspense and full-on love are abound in this book. I smiled, I cried, I laughed, I felt âfÂçâ →â „ç the sign of a good read is when it hits you deep, brings out all those emotions and leaves you wanting more. Broken Lyric was this and so much more for me. This series is so much more than romance, RB had me reading at every possible moment, the characters were constantly calling to me to come join them, begging me to read just one more page. I totally recommend this series to everyone. I canâfÂçâ →â „çt imagine a soul out there that wonâfÂçâ →â „çt swoon at the beautiful soul that is Nash Bostwick.

Ohhh my goodness!!!! I absolutely loved it! I was completely pulled in from the start with the emotions, the nail-biting intensity, and the deep connection between Rowan and Nash! There is so much to this story, I was kept on my toes and loved every minute of it. Have a tissue or two near by and dig in to the great read! I cannot wait for more from the guys of Meltdown! I received a copy of this book and am voluntarily leaving an honest review.

There is absolutely no way possible for me to do justice for this book in this review. This was definitely an emotional roller coaster ride for me. I was highly looking forward to Nash's story and boy did RB deliver a #1 HIT! I am absolutely amazed at by RB's talent to draw you into this book and take you on a ride. Nash is lead guitarist for Meltdown, and Rowan is a nurse. Each of them have their own demons and past they must over come. I don't want to say much more about the storyline because you just have to read this one.
