Customer Reviews

Okay, for a calendar. I may be understating this for some people. a few good photos and a few I would not have used.

One of the better FLW calendars in that it has some buildings and views not seen before, such as the Wright designed hotel in Mason City, Iowa that is still in operation.

Beautiful calendar!!! If you love Frank Lloyd Wright, you will love this! I have visited a couple of these places in person & the photography was right on.

Started collecting the FLW Calendar in 2001 and have always enjoyed them. I'll re-use this one in 2026!

I laminated this to be used for showing Geometric imagery in my classroom. I live FLW's style.

great quality calendar, annual purchase for me. Great price here also.

was a gift the person who received it loves it!

Once again a winner!
