Judy Mahoney created the original Teach Me Tapes series in 1985 to give her children a tool to start exploring new languages. She has authored 42 books in ten languages of parent and teacher friendly supplemental learning materials including, Teach Me, Teach Me More, and Teach Me Even More with over 1,000,000 books in print.

This book has a lot of good Japanese songs for kids to learn. I didn't feel it taught much, but we do enjoy the songs.

I purchased this daughter for my 6 year old daughter. she takes after school Japanese which primarily teaches through songs. this is a great add on to these classes.. The songs are primarily in japanese with some sections in english... the book is pretty straight forward with lyrics and lots of matching songs...
