# God Chasers Series

## Synopsis

Tenemos que intentar atrapar la presencia de Dios en nuestra vida diaria. Uno que busca a Dios, es aquel individuo cuyo anhelo por Dios nunca queda satisfecho porque en la búsqueda queda estancada la respuesta. --This text refers to the Hardcover edition.

## Customer Reviews

Not only does Tommy Tenney read his book to you, but he also adds personal comments and reflections.

The churches are full, but of what are they full? As a very open-minded Christian, I share the feelings the author has concerning today's religious country clubs we call Churches. I don't think that the author of this book was trying to put down Scriptures as some supposed, but there is much to God and of God than what He has done in the past. God wants us to enjoy His awesome presence and not just get a few goose bumps on Sunday mornings and leave the same way we went to Church. We are supposed to seek God's face and not His blessing (2 Chronicles 7:14). Generally speaking, I think that for years we, Christians, have shown the world how loud we can get, how big our buildings are, how holy we are, and yet, there is no bread in the House of Bread. Again, you CAN'T judge a book by reading one chapter, there's no wisdom on that, but this book and any other book that references the Bible MUST be evaluated in the light of the written Word of God and determine if the whole book is out of order with God's will or if there is some meat that is

edible. Paul says, "Prove all things; hold fast that which is good." I believe in revelations from God, but they must be in accord with Scripture. Generally speaking, I am so amazed at the arrogance we Christians have when we are confronted with a different point of view of God. If what someone says does not conform to what our doctrine, not Scriptures, teaches, we discard it so easily. While others might think the author is putting down Scripture, at the same time, they are elevating their doctrine/belief above Scripture. I think this book is fabulous and has answered so many questions I had had in the past concerning God. No, this book is not above the Bible, but it is worth the reading. Be a God Chaser not a blessings chaser. Chase the Giver, not the gifts. Be open to the Great Teacher, the Holy Spirit of God. If He says throw away the book, do it. Only HE can lead you to ALL truth. May God bless all who are seeking His face!!!

A friend bought my husband this book, and I just had to have a copy myself to read too. It is a great book. Full of anointing and really gets you thinking and wanting more from God. God Catchers is the followup to this book. Highly recommend both.

Great Book.Great Quality.Timely Delivery.Nothing left to be desired.What an amazing experience to share this book with my church family.

Both books were in good shape physically,but in one of the books,someone had literally highlighted the whole book. O i kno they are used books,but really.

I didn't even know they had a special edition of this wonderful book, thank you so very much for sending this book, its in really good shape and very much uplifting.

Awesome!

Moving, true account of the move of God in a community. My prayer is for a similar experience in my church/community.

If you are not searching for the literal TRUTH that the bible has to offer, you will most likely not like this book. If you are a Holy Ghost-filled believer, buy it, buy it now....Great reading.
