Beautiful Floral Bouquets To Paint Or Color (Dover Art Coloring Book)

Synopsis

Twenty-threeÂ lovely floral arrangements awaitÂ a splash of color: delicate daisies, lush lilies, and tilting tulips are just a few of the beautiful blossoms waiting to be colored!Â The pages featureÂ beautiful drawings, specially printed with light gray lines that virtually disappear with the addition of colors for a finished, professional look; high-quality paper, printed on one side only and suitable for watercolor, colored pencils, and other media; andÂ perforated pages for easy removal from the book.

Customer Reviews

It takes awhile to get used to the light gray lines and you have to color differently than you would with the black lines but once you get the hang of it the pictures actually do look like you drew them.

very versatile coloring book, i have used colored pencils as well as water colors . if you love to color this is a great book

I gave this 4 stars only because it says to paint or color. The pictures are fantastic for coloring, but the paper does not work for water color pencils.

.com has the best adult coloring books I have found yet. It is a great stress reliever to color in coloring books. Flowers are something many people enjoy coloring. I have been happy with all my purchases in coloring books from .com.

I received my copy of this coloring book in the mail today... As I was eagerly opening the padded manila envelop my eagerness quickly turned into disbelief and disappointment. I'm not too sure on what the process is on how a coloring/book is made, but who ever or whatever was in charge of cutting the three sides (not the binder side) of the one I received cut them diagonally... Instead of straight, like how all regular books are. Shame on the employee that thought it was okay to package and send this to me. I love the illustrator (Charlene Tarbox) so I'll be rating this two stars until I receive a new copy that had straight cut edges and a full refund. - Alexi D.

NICE COLORING BOOK

bought these for my 86 yr old mother who likes to color to keep herself busy. He likes these books because they have colored pictures of what the flowers look like colored in the back so she knows what color to color them. Is the only place I can find these adult coloring books at a reasonable price.

Beautiful assortment.
