Book by Deakin, Carol, Cause, Sue

Wilmington has been shown in a lot of movies. It's a beautiful city located in coastal North Carolina. But i have to congrats the authors and other people involved for their job by doing this book. It's absolutely wonderful! Has a lot of information and tons of great pictures. Now that i've read this book, i know why producers and directors choose Wilmington as a location for their movies and series. Really excelent book !
