Customer Reviews

I like the book, nice tunes and chords for them, would like a few more Jewish ones.

Has many of the classics. As the previous reviewer says, songs range from easy to challenging. Great gift for the ukulele player who grew up in the church.

Easy to read--good book. Only downside is that most of these songs are also in the Daily Ukulele books.

This book is exactly what I was looking for as a blossoming ukulele player. I've used it and used it. Highly recommend.

Jumpin Jim's ukulele books are always very good. The songs are easy to follow. It might help if he showed some alternate chord fingerings though.

A good group of music for Uke player that want the chords pictured. Songs are easy to moderate in difficulty.

difficult but fun!
