Kids loved it!

I liked this book because I am going to be brewing one day so I have this book. I also have my friends enchantment table so now I know all the enchantments.

I have no idea why I have a copy of this book. I have never played the game. For all I know these potion tips will rock the world of even experienced players. I simply do not know. The book is written in easily understood language making it accessible to all level of players and ages. Unfortunately you will need to purchase a copy and decide for your self if this is worth the read. WaAr
