Reviews "immensely enjoyable" "ForeWord Clarion Reviews" "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures." "Kirkus Reviews" "a fantastic book that has enchanted me" "Customer Review" "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book : ) Get it get it get it!" "Customer Review" "Written in a very simple way but with a profound message for both adults and kids." "Customer Review" "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" "ESLCarissa.blogspot.com" "readers will emerge from this book feeling slightly more confident about themselves" "whatever their size." Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

I use echo reading when introducing a story to a child who is learning to speak English. This book is written in Hungarian and English, so when reading the story, the child can see and hear the words in both languages.

Very cute, I like the pictures and the story. Not the most useful for learning new words (they are mostly several ways of saying small and large) but it is for small children so I think they would enjoy it. I gave it as a gift at a baby shower so hopefully the kid will like it when she gets a little older.

Cute story in both English and Hungarian. I've been using it to aid in learning Hungarian.

I was thrilled to gift this unique, ingenious book for my daughter. It's very cute and quite clever.

Love the artwork in this book. Fun "little" story also.

Very cute story and nice drawings.

Teach your children Hungarian! Beautiful drawings, and colors!
