Grammar For Middle School: A Sentence-Composing Approach--A Student Worktext

Synopsis

Don and Jenny Killgallon's sentence-composing approach has transformed how writing is taught in thousands of language arts classes, helping students all across America become more proficient, sophisticated writers. Now the Killgallons use their highly effective method for a unique, powerful textbook that links good writing to that perennially difficult-to-teach subject-grammar. *Grammar for Middle School: A Sentence-Composing Approach* gives your students the chance to absorb and replicate the grammatical structures used by some of the best writers of our times. Included among the over 150 authors, 200 titles, and 400 model sentences in *Grammar for Middle School* are award-winning young-adult literature such as Cynthia Voigt's *Homecoming*, popular favorites like J. K. Rowling's *Harry Potter*, and curricular staples such as John Steinbeck's *The Red Pony* and *The Pearl*. Fourteen grammatical structures are developed in the same predictable, understandable manner, using the sentence-composing approach. When students first encounter a tool, it is clearly defined and characterized. Then it's practiced through five activities: matching, unscrambling, combining, imitating, and expanding. Finally, a creative writing activity immerses students in the composition or revision of a paragraph through independent use of the sentence-composing tools they have already learned. Best of all, after each section, review activities-which can be easily graded as unit or final tests-offer opportunities for students to bring it all together and build better sentences. An online teacher's guide accompanies *Grammar for Middle School* and includes advice, tips, resources, answer keys, and even curricular plans for teachers who are either new to the Killgallon approach or sentence-composing veterans. Visit Heinemann online to access the downloadable teacher's booklet. No one can forge the link between grammar and writing like Don and Jenny Killgallon. Discover for yourself or rediscover how powerful the sentence-composing approach can be, and watch as your students get grammar like never before-and write better sentences too.

Book Information

Paperback: 120 pages

Publisher: Heinemann; 1 edition (September 5, 2006)

Language: English

ISBN-10: 0325009562

ISBN-13: 978-0325009568

Product Dimensions: 8.4 x 0.3 x 10.9 inches

Shipping Weight: 0.3 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 17 customer reviews

Customer Reviews

Don Killgallon is the originator of the sentence-composing approach and author of numerous sentence-composing worktexts. He is the author or coauthor of *Paragraphs for Middle School* (2013), *Paragraphs for High School* (2012), *Grammar for College Writing* (2010), *Story Grammar for Elementary School* (2008), *Grammar for High School* (2007), *Grammar for Middle School* (2006), *Sentence Composing for Elementary School* (2000), *Sentence Composing for High School* (1998), *Sentence Composing for College* (1998), *Sentence Composing for Middle School* (1997), and *Daily Sentence Composing* (Great Source). He currently co-teaches with Jenny Killgallon in the Odyssey Program of Johns Hopkins University, Baltimore, Maryland. Jenny Killgallon is coauthor of *Paragraphs for Middle School* (2013), *Paragraphs for High School* (2012), *Grammar for College Writing* (2010), *Story Grammar for Elementary School* (2008), *Grammar for High School* (2007), *Grammar for Middle School* (2006), *Sentence Composing for Elementary School* (2000), and *Daily Sentence Composing* (Great Source). She currently co-teaches with Don Killgallon in the Odyssey Program of Johns Hopkins University, Baltimore, Maryland.

This is a terrific book for my tutee who is just entering high school. From kindergarten through the sixth grade, he was in ESL classes in which the teachers and aides spoke Spanish to him. He is now in desperate need of help in his English oral and composition skills. This book will certainly help.

This book provides a creative way to get students to recognize the importance and impact of sentence variety. I haven't used it in class yet, but I read through it this summer, and I'm anxious to use it once I know the foundational grammar concepts are set.

I was so excited to purchase this book, along with *Paragraphs for Middle School*. Sadly, there was

no online teacher's guide as promised in the product description. I could understand omitting it if the book was used, but it was new. Any chance of supplying it?

This is a great support for the regular grammar program. My students are responding well to this approach. This way to teach writing makea perfect sense!

New book arrived in perfect condition on the day expected. Thank you!

I have tutored children in writing and English for 8 years. I was looking for books that I could use to help my students work on writing and have used other workbooks, but this one has exceeded my expectations. Grammar For Middle School helped my kids develop their writing skills and learn to manipulate parts of speech to create their own voice. I have ordered multiple copies through the past few years and it has always been a helpful tool.

As an 8th grade teacher, I hated teaching grammar before I found this. Practical, useful, and saves me from teaching rules in isolation. Definitely recommend!

Excellent ideas for improving writing at the 7th grade level.
