Miss Kobayashi's Dragon Maid Vol. 3

Synopsis

For fans of *Nichijou* and *Monster Musume* comes a comedic tale of a young woman's relationship with a magical transformation dragon maid--now with an anime adaptation! *Miss Kobayashi's Dragon Maid* is a delightful, ongoing comedy manga series about a young lady who, after saving a dragon's life, finds herself the object of its indebtedness and undying affection. *Miss Kobayashi* is your average office worker who lives a boring life alone in her small apartment until she saves the life of a female dragon in distress. The dragon, named Tohru, has the ability to magically transform into an adorable human girl (albeit with horns and a long tail!), who will do anything to pay off her debt of gratitude, whether *Miss Kobayashi* likes it or not. With a very persistent and amorous dragon as a roommate, nothing comes easy, and *Miss Kobayashi*'s normal life is about to go off the deep end!

Customer Reviews

Coolkyouushinja is a Japanese creator best known for his works *Komori-san Can't Decline*, *I Can't Understand What My Husband Is Saying*, and *Miss Kobayashi's Dragon Maid* all of which have received anime adaptations.

I love this series! I got hooked on the anime, then needed more to fill the void once I had seen all the episodes. It's quite interesting to see the differences between the two. Looking forward to the

next volume.

this manga series gets better and better with each new volume. each volume introduces new funny situations, new adventures and my favorite aspect you get to meet a new dragon with different ideas about kobayashis-san relation with her dragon maid tohru. luv this series

This book knows how to reel and hook you in. I can't get enough of Miss. Kobayashi's Dragon Maid! The characters are hilarious in their own special way. Just one question, how many manga's are in this series? I tried to see about the fifth but it won't come out until November 14. Why???

saw the anime and wanted to purchase the manga series to see the differences. the package arrived on time and was undamaged

Really another great series you'll love reading enough said.

Love the story. Wish it was in larger book size.

It's ahead of the anime and has a HUGE cliff hanger around the end

Worth it.
