Geoffrey Budworth co-founded the International Guild of Knot Tyers in 1982 and regularly contributes to its quarterly journal, Knotting Matters. He's been described as the father of forensic knotting and occasionally gives evidence in court as an expert witness of knots found at crime scenes. Budworth is a well-known personality and author in the world of knots.

Excellent book with many illustrations. My kids are scouts and find this book very easy to

understand and learn new knots from.

Great illustrations (but the animations in an iPhone app are even better). Best thing - learn about how knots are related. Strength i.e. under tension, angles of tension, variability of tension, Usage, e.g. climbing, hitching, fishing, camping, sailing, and ability to easily untie under a variety of conditions. Great knot learning experience for yourself or to share

Very informative, easy to learn book

well done good exercise for old hands helping them to keep close connections to an old brain)

Fun for the kids to learn a life skill.

Husband purchased this for our two grandsons, they really like it, they are both Boy Scouts and will be able to apply this knowledge to their goals to become Eagle Scouts.

Easy to learn different knots.

Pictures help me to know the step by step
