Backroads & Byways Of Colorado: Drives, Day Trips & Weekend Excursions (Second Edition) (Backroads & Byways)

Synopsis

See Colorado at its most enchanting: along the roads less traveled. View majestic, snow-covered mountains within sight of desert expanses. Visit ancestral Puebloan settlements along the San Juan Skyway. Camp out in the 2.3-million-acre White River National Forest. No matter what sort of Colorado adventure you're looking for, there's a trip to thrill you in this book. In this full-color second edition, the authors have expanded map coverage in each tour chapter, and have fully updated the best places to stay and eat that complement the best places to explore. A 90+ full-color photographs

Customer Reviews

Drea Knufken lives in Boulder, CO, where she enjoys exploring the great outdoors and the state's ever-growing list of restaurants and live music venues. John Deters is an official travel writer for the state of Colorado. In his spare time he enjoys hiking in the Rockies.

Great book for travel. It's divided by area, listing the estimated length of the byway, estimated travel time, highlights, and how to get there. Once there, lodging, activities, and places to eat are listed. Each area includes maps and color pictures.

Nice book to have to read about the area you are traveling too. It has driving routes or multiple day trips that travel all throughout the state. It gives you history and facts about each location and things

to do, places to eat and where to stay.

Was very handy for our trip to Colorado this summer. Took our motor home towing a trailer. It was very informative where we could drive our 40ft diesel pusher over the passes.

Real nice but didn't include the Steamboat Springs area and the extreme northwest. Covers a large part of the state but not all of it. Still a useful book though.

Great book. Some of the scenic byways listed are really narrow and ruff.

Love the way this book is written and cannot wait to try the trips as soon as the snow melts! I'll update once we do!

This book was helpful when I went to CO in knowing where to go. Good directions and photos.

Ready for a road trip - well, I'll wait until the snowmelts. It's enough to just plan it now.
