Awesome Word of God. One cannot be truly free to worship God in spirit and truth until one has been set free. This book gives you the tools by which to achieve freedom. Your life will never be the same

My friends, curses are real. The authors Frank and Ida Mae Hammond will guide you through the numerous and sometimes shocking types of curses that can be in our lives. You will learn the difference between generational and demonic curses and all the rest. Please get this book. You will be glad that you did.

This is a book, if you have been having problems you can't explain; especially if you are see The

LORD, and trying to be a good person. The book is very helpful. In fact, I myself am going to 're-read it.

If you ever wonder why certain family traits seem to pass from generation to generation..such as drinking, this book will help you to realize why and how to break those generational curses..a must read for everyone, whether you work in deliverance ministry or not...

I try to live/ activate this book in my daily life, thank God for discernment and His Holy Spirit, authority to use, spiritual weapons, His Name and the blood of Jesus

For those struggling with addictions and sins, read this book. We as Christians have the power to break every chain in the name of Jesus Christ, but we must be in total submission to Him and allow the Holy Spirit to lead and guide us through everything. Trust Him and you will be free. I recommend this book. I recommend this seller because the book was in excellent condition and arrived prior to expected date.

Anytime we have these curses in our lives, we do not have total freedom. Understanding these curses will set the next generations to come free and will help the captive at least understand why they feel so helpless. Hammond exposes the one who come only to kill, steal and destroy.

This is not the sort of book you expect to find. The information given was interesting . I was expecting more. But, it still was helpful.
