# Interlinear For The Rest Of Us: The Reverse Interlinear For New Testament Word Studies

## Synopsis

Most interlinear Bibles are superb resources for Greek students. But what about the rest of us who don't know Greek? Here is the answer. While other interlinear Bibles assume that you know Greek. Interlinear for the Rest of Us assumes that you don't, or that you've forgotten much of what you once knew. Designed for busy pastors, Sunday school teachers, and anyone who wants a practical tool for studying the Scriptures, this interlinear makes reading easy by flip-flopping the usual order of appearance. It uses the English text as the main text rather than the Greek, so there is absolutely no confusion about the meaning of what you're reading. Discover the Greek words behind the English translation. Conduct your own word studies using Greek word study books without knowing Greek. Interlinear for the Rest of Us offers these features: Interlinear passages appear in a "staff" with four interrelated lines (see excerpt). From top to bottom, the lines are: English text in New International Version Corresponding Greek words Parsing information Goodrick-Kohlenberger numbers Greek text in normal Greek order at the bottom of the page, underneath the interlinear section Mounce's Greek-English Dictionary at the back of this volume, keyed to both Goodrick-Kohlenberger and Strong's numbering systems Ideal for use with Greek for the Rest of Us and other Greek study tools

## Book Information

Paperback: 928 pages

Publisher: Zondervan; Bilingual edition (February 5, 2013)

Language: English

ISBN-10: 0310513944

ISBN-13: 978-0310513940

## Customer Reviews

William D Mounce (PhD, Aberdeen University) lives as a writer in Washougal, Washington. He is the President of BiblicalTraining.org, a non-profit organization offering world-class educational

resources for discipleship in the local church. See [www.BillMounce.com](http://www.BillMounce.com) for more information. Formerly he was a preaching pastor, and prior to that a professor of New Testament and director of the Greek Program at Gordon-Conwell Theological Seminary. He is the author of the bestselling Greek textbook, Basics of Biblical Greek, and many other resources. He was the New Testament chair of the English Standard Version translation of the Bible, and is serving on the NIV translation committee.

Good resource for helping to understand the Scriptures in the original language

May be a great product but not for my use

I use this book maybe 4 times a month. A couple of times in connection with my daily devotions, and couple of times alongside other prep material for adult Sunday school classes. With other books, it gives me a way to dig a little deeper on what words mean. Of course I know just enough to be dangerous, and I probably miss the point with verb tense entirely, but you know what? I'm not going back to school for 2 years of Greek study and this will just have to do. My only hope would be for a better built-in dictionary, it's too basic to capture the nuances of many words. Great idea for us non-scholars.

onion paper...and quite bias...but useful in many areas...like the greek to bad their strong's reference points don't match up with it

Mounce's books on Biblical Greek are great. I'm very happy with all that I have purchased.

This volume is housed in the ESSENTIAL BOOKS section of my library. There are several editions of the Interlinear NT, but I find this book to be one of the best. When making comparisons between the English used and the Greek of the NT times, there are many ways that Greek expounds on key words with greater clarity and meaning not found in the English language. This volume is a great INVESTMENT for the Bible student who desires to see and understand beyond the obvious.

An amazing book - making my NT Greek class within the realm of possibility!!

Excellent!
