Derren Brown Unauthorised Theories, Methods And Secrets

Synopsis

This unauthorised book offers a fascinating insight into the creation of large scale magic and mentalism performance. Culminating in a detailed breakdown of each of the Derren Brown Live theatre shows, performance is explained, dissected and thoroughly examined. Each of the live shows (Something Wicked This Way Comes, Evening of Wonders, Enigma, Svengali, Infamous and Miracle) are discussed in detail and can be read whilst watching the DVD and TV presentations to increase understanding. The book is an educational review of these works, with the aim of teaching magicians and performers the importance of showmanship and creativity, helping the reader to use these insights in the creation of their own magic routines. Any magician can learn from the best, and in this field there is no-one that compares to Derren Brown. His live work is simply phenomenal and through studying his work we can all become better performers.
