Customer Reviews

Mary Engelbreit grew up studying the illustrations in the vintage storybooks of her mother's own childhood, and she developed a unique style that harkens back to those simpler times.

Mary's distinctive images have made her a celebrity to millions, who eagerly snap up gift items, calendars, books, fabrics, and more. Mary's dearest wish has always been to illustrate for children. Her New York Times bestselling The Night Before Christmas is already part of the holiday tradition for families across the country.

My great granddaughter absolutely loves this book. They have other Mary Engelbreit books too so this was a nice addition to her 2 year old collection.
