Customer Reviews

Very pleased.

It was an excellent book, my daughter was more than pleased!

I think this is a very well done textbook....

Great piece

I assume you are buying this because a music teacher requested that you do so, for yourself or a family member. It's a pretty tough book but I was ready for a community orchestra experience by the time I got through it. Lots of position changes and some beautiful Renaissance music that was new to me. Hard but doable. Arrived in very good shape. Good luck!
