An Ohio published book about all the sports woes of Cleveland teams over the past 5 decades coloring book form! My life-long Browns fan friend rly liked it....and now he will have something to do as the Football season in Cleveland rambles from week to week and QB to QB! It's a coloring book...do not expect more. was surprised that this Ohio produced book ws sold tome though from England! Guess they know about the Browns there too...

My Cleveland-fan husband and his whole family (also Cleveland fans) were absolutely delighted with this hilarious novelty. Just the title was worth the price of this gift, but it also actually has a ton of great factual info within. Great fun.

Hilarious and went over great as a gift for my dad. Most people have no idea how great these fans are despite the woeful suffering. Cleveland is heaven and the people are incredible. Love to visit there

My dad is a die hard Browns fan. But no secret, they're not the most skilled team in the NFL. This was given to him as a gag gift, definitely a hit! Anyone with a good sense of humor will enjoy this book.

Perfect for the sad Browns fan in my house. Now when the Browns have two turn overs in one play, he can just go in the other room and color instead of screaming into his pillow!

Definitely worth a try, absolutely hilarious, but not over the top. Was given as a gift to a die hard browns fan who couldn't help enjoying every aspect. Would recommend for any browns fan with even a slight sense of humor

Bought two. One for each of my grown sons, who have the disappointment yearly, of being from near Cleveland. They both got a kick out of this.

Accomplished exactly what I hoped it would. Put a huge smile on my brother in law's face Christmas morning. Lots of neat sports history too. Not just a coloring book.
