Shipped timely, was as discribed

Bought this for my son for Christmas - it was a HUGE success!

These are wonderful books for the Disney pin traders. They offer valuable information how to choose which pins to collect for the serious collectors.

As of today (8/19/06), I still have not received this product.I am very dissapointed

This is the same book sold in the Official Disney Pin Trading stores at Disney World. The price point is excellent! The book picks up where the official Disney website stops. (The Disney website has an incomplete or purged listing.) The book includes older pins, pins available at parks worldwide, as well as pins available through other sources. The book does not include original retail prices or more specific current values, it lists ranges for current value. The pictures are somewhat small. Overall

the book is a good resource.
