The Encyclopedia Of Infant And Toddler Activities: For Children Birth To 3

Synopsis

With over three hundred activities written specifically for infants and toddlers, this book will captivate children's imaginations and create wonderful opportunities for learning. The result of a nationwide contest, these activities were selected as the best of the best and are written by teachers, directors, and caregivers. Organized by time of day, teachers will love the easy-to-use format. Covering areas such as arrival and departure time, clean up, and transitions, the activities span a variety of developmental areas, including language, sensory, cognitive, social-emotional, and motor skills. Approved by teachers and loved by children, this resource is sure to be a classroom favorite.

Customer Reviews

I love this activity book! It was just what I was looking for because I am an intern at a child care development center and I will be working with infants and toddlers. I got this book for activity ideas for lesson plans. I haven't used any activities yet in this book, but will plan to do so. There are some

great ideas in here!

My grandchildren enjoy the activities.

This is full of many activities and ideas for the ages we use the most.

Excellent!

love it

Love this book. There are a lot of great ideas to use in a preschool classroom. So glad I got this book.

A+

Perfect. Just what I wanted to help my co-teachers and I make the lesson plans for our class.
