Auctioned To The Billionaire: A Billionaire And A Virgin Romance

Synopsis

From two NY Times Bestselling Authors comes a hot, quick, and filthy read! FelicityI've got one month to come up with enough to help my impulsive father pay off his debt to the Cades. Twenty thousand dollars in thirty days. My roommate has a plan--scratch that, she's already followed through with her plan. Auction off my V-card. It's a tale as old as time, but there's just one problem: Jackson Cade just placed the winning bid ... of 200,000 dollars. And there are no refunds. JacksonThe moment I saw her on that site, she was mine. The second she laid eyes on me and realized who I was, she hated me. Felicity should thank me--I've just settled her father's debt and screwed myself ten times over because I want her. She claims she's never sell out. She already has. She asks why I'd pay so much, but it's obvious. I wanted to be her first. She just doesn't realize I'll be her last.

Customer Reviews

If you're looking for a sexy steamy read, then look no further!! This was the perfect combination of sexiness with sweet romance thrown in!! I've read auctioned romances before each good in their own way, different in ways, this one definitely stands out as well! Kira Bloom got me hooked on Felicity and Jackson's story and I didn't put it down till I finished!!! voluntarily received an ARC for an

honest review. Also purchased this amazing book to also show my support for the author!

A very steamy, sexy read that you are sure to enjoy. It's well written, sweet, steamy and has just enough excitement to keep you interested. The people in the story are well written with personalities that are easy to love. The chemistry is hot and it helps to make the story believable. I recommend this sexy read. I voluntarily reviewed an advanced copy of this book.

This was a super hot sexy read. A traditional storyline of a college girl needing money to save her family business ends up selling her virginity to a handsome billionaire. Their progress to something more was natural. This was a fun read.

This is such a wonderful story. Flick and Jackson are absolute breath taking. From page one all the way to the epilogue is perfect. The writing is done just right. I highly recommend this book.

This was a quick but complete read. The chemistry between these two comes off the pages in droves. I loved it. Their romance gave me a happy feeling in my chest, and it's a story I'll read again.

Love this book. Glad they got their HEA and was mad at Flick father for what he did, but everything worked out for them in the end.

HOLY HOT CAKES! MY KINDLE IS STILL SMOKIN!... and I finished reading a few days ago! WOW, simply WOW, I'm totally speechless and believe me that doesn't happen very often! "Auctioned to the Billionaire" is extremely fast paced, professionally written and I simply couldn't put it down (isn't it irritating how life gets in the way of reading!). The character development is incredibly good for a novella (and most novels!) not only did I care about the characters (in much, much different ways) but I found myself cheering them on (out loud) to that potential happily ever after. It's not often that I readily identify with a female character but in this case Flick (nickname) York is the perfect combination of a bright, intelligent, independent young woman with such a sweet engaging personality. Flick doesn't even come close to any TSTL moments. Jackson Cade! OMG, talk about sex on a stick! I can't recall the last time I've encountered such a wondrously hot, filthy mouth (ahem) in a

book of course)! Everything about him makes you want to get down and dirty with him (yeah, it's so time for me to stop)! As a romance junkie, I have a mystery to solve who is (or who are) Kira Bloom oh, here comes that author stalking compulsion again!...Although I was provided an ARC of "Auctioned to the Billionaire" I purchased the book because stellar writing and fantastic narratives are so hard to find! Disclaimer: No Kindles were seriously harmed while reading this novel. Children 18 and over only! Disclaimer for the term "seriously harmed" is not intended to include: overheating, scorch marks, minor melting or inconsequential fire that can be put out with an extinguisher. Fire retardant gloves highly recommended while reading. RATING DETAILS (based on a 5-star rating system): STEAM FACTOR: 10 SCORCHING HOT FILTHY STARS WRITING STYLE: 10 AMAZING STARS PLOT: 10 Z-BAY STARS ENGAGING CHARACTERS: 10 SMOKIN HOT STARS SATISFYING CONCLUSION: 10 SWOON WORTHY STARS

Auctioned by the Billionaire is a smoking hot, fast paced romance that will have the reader hooked from the first page. Kira Bloom's debut story is full of scorching chemistry, interesting characters and a well developed plot. Auctioned by the Billionaire has a dirty talking alpha male and a sassy independent woman. This story is full of romantic and arousing scene. Felicity York is a college student, who also works hard at her family's restaurant. She will do anything to help her father and their family business out. Felicity is a feisty, intelligent & independent woman. She cares deeply for her friends, family and coworkers. Felicity is willing to give up everything to help others, her father and the business. Felicity is even more determine to help, when she discovers her father's huge debt to Mr. Cade. What would you do to help those that you love? Jackson Cade is a wealthy billionaire. He has taken over his father's company. Jackson meets Felicity 'Flick', when she comes into his office to discuss her father's debt. Jackson knows that he must have her. He is used to getting what he wants. Jackson is a filthy talking, bossy, walking sex on a stick. When he discovers Felicity's post on the auction site, Jackson outbids everyone to make Felicity 'Flick' his. Will these two find love? Or are they just meant to be together for 30 days? Will there be a happily ever after for Felicity and Jackson? I love Jackson and Felicity 'Flick' together. Auction by the Billionaire is a story that will stay with you long after the last page done. I look forward to the next book from Kira Bloom.
