Robynne Raye is cofounder of Modern Dog Design Co., in Seattle, WA. For more than two decades, Raye has lectured and taught workshops in both the United States and abroad. Her design work has been exhibited internationally and is in the archives of major libraries and in museum collections worldwide.

Delightful!!!!!! Every one different, I thought that 20 were not my style, but out of 100... that's great & I am getting several books of stamps to put inside the box to shoot off an encouraging word when needed and just a text won't do. For those MEN with manners/class who still send a 'thank you' they would work well. BRAVO! Love them.

These cards are not flimsy or easily damaged which is great since I send them all over the world. I'm happy to know they'll arrive to their destination in one piece.

Some great post cards, some not so great. They were all in good shape, just didn't like some of the pictures.

100 artistically beautiful portraits of dogs. Not a good representation of all the breeds, but a nice, small assortment. Card stock is sturdy. I like this product and the recipients I've sent the cards to seemed to like them!

They're beautiful! I was a little skeptical because the postcards they allowed us to "review" weren't all that cute..., but if you actually Google this product, you can see more post card preview options by looking at the box for details. So many puppies! Buy it!

Great quality! Great purchase! Will buy again!

Great postcards for any dog lover... to collect or to send.

I loved the art dogs postcards. The only problem- I can't give them away!
