Customer Reviews

We hope to travel to Alaska this upcoming summer. The information has been very helpful so far. I love how it has divided Alaska into different regions and does a great job of suggesting what to do in each region.

Bought this book for my father in laws trip to Alaska, greta information and nicely written. A must have for those making a trip to Alaska.

This was an invaluable resource during my trip to Alaska. I especially liked the section on Fairbanks, though the prices on a few attractions were already outdated.

This book is very user friendly. Great pictures, and lots of information to use to help prepare for a trip there.

Very helpful reviews; a definite must to compliment any online information obtained. Would highly recommend Fodor's for any travel planning.

We bought this guide and the Frommer's guide for a future Alaska trip. Our family finds this a easy to use and very easy guide for everyone to use.
