Customer Reviews

Was a good story, but was very disappointed that Mrs. Minchin or Mrs. Jenkins mentioned if they were at the wedding. Mrs. Minchin loved Janine as a daughter and she so wanted to be at her wedding. Mrs. Kevin's was kind and loving Janine she should have been mentioned at the wedding

also. It would have been nice if the two women would have become good friends. That is why I only have it to stars. I felt like a big part of the story was left out. I usually love Karla Gracey's books. That is why the ending was a disappointment.

I like stories of conflicted people trying to get their life together after tragedy. I also love stories with children and this has both. I definitely recommend this book.

It was very good

A young Governess was let go from her job by the children's parents without a reference when she corrected their behavior. A widowed man out west was in need of a Governess or wife to help with his son she answered the advertisement and the man sent for her at once. A lovely story of joy after suffering loss of family members by both. A must read for those who enjoy historical western romance kindle books from at a special price and from a special author who keeps me entertained throughout the entire book.

if you like mail order brides books you will like this one i agree we do not know if the ladies were at the wedding but the story is very good i was given a copy of the book but i am giving an honest review. we also get to see some more of the other people in the town.
