Basic Judaism For Young People, Vol.2: Torah

Synopsis

Although this book is about Torah, it is not on a scroll, and you don't unroll it. But you do have to "unfold" its ideas and have fun with them in order to enjoy it fully. In some ways it is like a dictionary. But this is a very special kind of dictionary - a dictionary of words and ideas that tell what it means to be Jewish. The book has many beginnings, and each chapter is a fresh start.
