A former high school English teacher, Amber Lia is a work-at-home mom of four little boys under the age of ten. She and her husband, Guy, own Storehouse Media Group, a faith- and family-friendly TV and Film production company in Los Angeles, CA. When she's not building sand castles with her boys on the beach, or searching for Nerf darts all over her house, you can find Amber writing to encourage families on her blog at Mother of Knights (www.motherofknights.com). And be sure to check out her first book, *Triggers: Exchanging Parents' Angry Reactions for Gentle Biblical Responses*!

This Bible Study guide is amazing and has really lead to some great conversations about the Lord, how to treat others, and how to glorify the Lord through our actions. Amber is so wise and understands the minds of children and how best to connect them with the Lord. The "big ideas" section each day really drive home the message and give us something easy to recall later. We love the discussion questions at the end that really help to facilitate open communication and honesty. Connecting together with the Lord has helped keep our family focused on the ONE we are meant to glorify and honor. We are so glad there are more Study Buddy books to follow this one! Thank you, Amber!!!

I am LOVING this study that I am doing with my 3 boys ages 13, 10, and 8, We are all benefitting!

Perfect for the summer to help little ones. Came very fast. Thanks !

This is a wonderful addition to our day. My son loves copying the Bible verse and it is great that he gets to ask me what I struggle with and I work through things. I would highly recommend this Study Buddy Bible Study.

We have absolutely LOVED this devotional for our family time. It's perfect length discussion for any age. Well laid out and wonderful questions. We each write the verse in our own journals instead of the space provided. If you want to spend time with your family and learning Bible verses together this is a must have.
