# Woelfel's Dental Anatomy 8Ed (Pb 2012)

## **Synopsis**

Synopsis A market-leading dental anatomy textbook for dental, dental hygiene, and dental assisting students, Woelfel's Dental Anatomy focuses on anatomy of the human mouth and teeth, and is designed to help the student understand the relationship of the teeth to one another, and to the bones, muscles, nerves, and vessels associated with the teeth and face. This text does more than simply explain dental anatomy; it links the anatomy to clinical practice, giving readers a stronger and more practical understanding of tooth structure and function, morphology, anatomy, and terminology. Chapters have been revised and reorganized into three parts--Comparative Tooth Anatomy, Application of Tooth Anatomy in Dental Practice, and Anatomic Structures of the Oral Cavity--to make the material more accessible to dental hygiene programs. The companion website offers Student Resources for an enhanced learning experience with an interactive image bank, image labeling exercises, and PowerPoint presentations. Instructor Resources include a test generator, an interactive image bank, PowerPoint presentations, and answers to the book's critical thinking questions.

## **Book Information**

Paperback

Publisher: Lww (2012)

ISBN-10: 1608317463

ISBN-13: 978-1608317462

ASIN: B0082OP74A

Package Dimensions: 8.4 x 5.8 x 0.7 inches

Shipping Weight: 12.6 ounces

Average Customer Review: 4.5 out of 5 stars 15 customer reviews

Instructor Resources include a test generator, an interactive image bank, PowerPoint presentations, and answers to the book's critical thinking questions.

For a client in school.

Very similar to other dental anatomy books out there. If you already have one don't bother with this one. If you are looking for one this is as good as the rest. The section on dental anomalies was interesting.

This book makes me smile

Typical text book. Not quite what I was looking for.

Great book

Great Book :)

Great book, but poorly packaged for shipping.

Item as described. Fast shipping.
