## Customer Reviews

Elise Gravel always liked bugs and cats and lizards and other bizarre creatures. Oh, and she also loves baby humans, who she finds very weird and adorable. The author-illustrator of *Adopt a Glurb!* and the *Disgusting Critters* series, Elise lives in Montreal, Canada, with her husband, two daughters, and two cranky cats, so she would be extremely happy if she could have a pet monster as well. Can she have one, please, please, pretty please?
