## **Customer Reviews**

Transform children's futures with these colorful and entertaining books that teach them how to win with money. These wonderful stories will teach kids real-life lessons, and the stories are so much fun that kids won't even know they are learning! (Dave Ramsey)

Dave Ramsey is America's trusted voice on money and business. He's authored five New York Times best-selling books: Financial Peace, More Than Enough, The Total Money Makeover, EntreLeadership and Smart Money Smart Kids. And check out his new products: Financial Peace Junior and Junior's Adventures Storytime Book Set! "The Dave Ramsey Show" is heard by more than 12 million listeners each week on more than 575 radio stations, "The Dave Ramsey Show"

channel on iHeartRadio, and a 24-hour online streaming video channel. Ramsey Solutions offers a suite of products and services to help people get control of their finances and other aspects of their lives. Follow Ramsey on Twitter at @DaveRamsey and on the web at daveramsey.com.

Ramsey group gets the young kids started early with thinking economics. Do I need that wagon or is it worth the cost? How hard do I have to work to earn the money to buy it? How much do I need to earn and what benefits do I get when I include a charitable cause in my thinking? All good life lessons in short easy to understand stories. Written so that you can use it as a tool to help with beginning readers, which was a side benefit for my granddaughter. She is now picking up walnuts in the yard to earn some cash to buy those "needed items" while learning to set some aside for future desires.

My kids are always looking for me reading these books. The lessons are priceless. We are breaking generational curses pertaining to money. I wish I was taught how to manage, work, give and spend money at a young age. Please also purchase the chore chart set, the combination of the two allow your kids to WIN BIG with money!-Happy parent of 5 kids under the age of six.

Wonderful books for children. They teach clear concepts about money following Dave Ramsey's principles. I will probably be back to buy more for birthday gifts.

My grandson is almost 9 and is reading these. They have good life lessons for kids.

We really liked the books. Wish he would write one for girls!

these are great books, nice way to teach kids some important lessons.

I love these books! Great teachings and illustrations.

These books are super cute and teach kids about money in a fun and exciting way. My 3 year old has me read them to her over and over and has them memorized! I know these will be great as she gets older.
