Customer Reviews

And the action continues and the plot thickens. Vader is relentless. This is why Vader is the Chosen One and the Imperial War Machine!!

Decent end but could have been better. Felt rushed and issue wasn't long enough. However, story was captivating and art work fantastic as usual.

weak follow up and pitiful resistance after a strong preceding issuehow could a rested, focused jedi so easily dispatch Vader in the prior episode, and so easily succumb vs such a weakened, damaged one
