My Book Of Rhyming Words (Kumon Workbooks)

Synopsis

This book is for children who can read and write the twenty-six letters of the alphabet. Words that are familiar to children, such as hat, bat, rat and cat are grouped by the vowel and consonant combination of the last two letters. Through games and exercises that encourage children to trace letters and read aloud, children will learn how to read and write simple words.

Book Information

Grade Level: Preschool - 1

Customer Reviews

Kumon workbooks are based on the "Kumon Method", an educational philosophy that aims at unlocking the full learning potential of each individual child. The Kumon Method introduces learning concepts in an incremental, step-by-step approach, allowing children to master new skills easily and without anxiety or frustration. As a result, children gain confidence in their abilities and are motivated to learn on their own. Over 3.5 million children around the world use the Kumon Method to develop their math and reading skills. Kumon Math and Reading Centers help students become successful, confident and self-motivated learners. But it's not just the Kumon Method that makes our workbooks special. It's also the care and research that goes into the editorial content, design and quality of the books. Our editorial experts have more than two decades of experience in producing books that are both fun and educational. Our designers create illustrations that attract and delight children. And the quality of our books is the best of any workbook on the market, with

extra thick paper and the best available print quality. From pedagogy to paper, every one of our workbooks has been carefully crafted with your child's best interests in mind.

My 6 year old daughter loves to work in this book. She loves knowing exactly what she has to do and I like that I do not have to give her directions every minute. My daughter's class was learning how to read 3 letter words and she was just not getting it. After a few days of doing a few pages a day she learned how to read 3 letter words. We are both so thankful for this book.

We are so happy with these Kumon workbooks. Been using Kumon books for a long time now, for part of my children's home schooling. We absolutely love them. Very easy to use & understand. Thank you Kumon!

have been trying to work on rhyming skills with my 4 year olds, but hadn't had much success. i had tried using a hodgepodge of worksheets and exercises, but the fundamentals of rhyming continued to elude my boys. i ordered these books and by the fourth exercise, it clicked! i can't say that there appears to be anything revolutionary in the format of the workbook, but it worked for us!

This is one of the better books I have for my child. She really enjoys this one. She's not quite 4 yet so she may be a bit more advanced than some kids. I'd suggest any child attending a teaching daycare look at age 3 for starting this book. Good book overall.

My 7 year old still struggles with rhyming so I purchased him this book it has helped him a little but still needs more help.

Wish I started my daughter with Kumon when she was younger. She is 7 now and loves these books. My son who is 4 also loves his Kumon workbooks. Thank you!

Wish I started my daughter with Kumon when she was younger. She is 7 now and loves these books. My son who is 4 also loves his Kumon workbooks. Thank you!

Great for my 4yr old
