Ruby Ridge: The Truth And Tragedy Of The Randy Weaver Family

Synopsis

On the last hot day of summer in 1992, gunfire cracked over a rocky knob in northern Idaho, just south of the Canadian border. By the next day three people were dead, and a small war was joined, pitting the full might of federal law enforcement against one well-armed family. Drawing on extensive interviews with Randy Weaver's family, government insiders, and others, Jess Walter traces the paths that led the Weavers to their confrontation with federal agents and led the government to treat a family like a gang of criminals. This is the story of what happened on Ruby Ridge: the tragic and unlikely series of events that destroyed a family, brought down the number-two man in the FBI, and left in its wake a nation increasingly attuned to the dangers of unchecked federal power.

Customer Reviews

I ordered this book as a gift for a friend. He thoroughly enjoyed it and although he had followed the Ruby Ridge raid on the news when it occurred he learned many things he had not known. My friend highly recommends Ruby Ridge to everybody who is interested in this type of occurrence. The book arrived well within the promised delivery time and in perfect condition.

Jess Walter writes empathetically and perceptively about everyone involved in this horrible incident. This is a piece of recent history that everyone needs to know; this is a book that everyone needs to read.

Very well written, easy to read, and balanced account.

A good book, but all so unnecessary. Enjoyed reading it but got a bit frustrated with the Weavers

Outstanding, detailed reporting.

This was a very well documented perspective of all the events that happened during this crisis. Very well read and learned a lot from reading this book.

A great description of a very tragic event. This covers the whole story and allows the reader to make their own conclusions about who is culpable.

Well investigated and thorough. For those who desire further knowledge of the events and misguided acts of those entrusted to serve and protect.
