Customer Reviews

Milet Publishing is a leading independent publisher of books for children, young adults, and adults, featuring more than 300 titles in English and more than 25 languages that celebrate multiculturalism and multilingualism.

I've enjoyed this brand of book for my 2 year old who is learning French (Les Animaux, Les Fruits, etc.), however this book was pretty disappointing. The last few pages are in Russian instead of French! I should have returned it, but ended up just writing in the French words. Anyway, pretty disappointing that the publisher didn't catch such a straightforward mistake! Note, I think it's Russian...could be another Eastern Euro language.

This was a decent book until I got to the last page, which was in Polish. The rest of the book was in French.

Last two pages are in some unrecognizable language.
