Women's Murder Club Box Set, Volume 2

Synopsis

The 4th of July In a late-night showdown after a near-fatal chase, San Francisco police lieutenant Lindsay Boxer has to make an instantaneous decision - and sets off a chain of events that leaves a police force disgraced and an entire city divided. As summer comes into full swing, Lindsay and her friends in the Women's Murder Club battle for her life on two fronts: before a judge and jury as her trial comes to a climax, and facing unknown adversaries who will do anything to keep her from the truth. The 5th Horseman It is a wild race against time as Lieutenant Lindsay Boxer and the newest member of the Women's Murder Club, attorney Yuki Castellano, lead an investigation into a string of mysterious patient deaths and reveal a hospital administration determined to shield its reputation at all costs. While the hospital wages an explosive court battle that grips the entire nation, the Women's Murder Club hunts for a merciless killer among its esteemed medical staff. The 6th Target While Assistant District Attorney Yuki Castellano prepares to prosecute the toughest trial of her life, the city is in the grip of a chilling crime spree. Children of well-to-do families are being abducted. But the kidnappings are followed by devastating silence - no demand for ransom. Working frantically with her new partner, Lindsay Boxer struggles to find the connection that will help them make sense of these horrific crimes.

Customer Reviews

James Patterson has had more New York Times bestsellers than any other writer, ever, according to Guinness World Records. Since his first novel won the Edgar Award in 1977 James Patterson's books have sold more than 300 million copies. He is the author of the Alex Cross novels, the most

popular detective series of the past twenty-five years, including Kiss the Girls and Along Came a Spider. He writes full-time and lives in Florida with his family.

James Patterson is the best! Women's Murder Club Series is fantastic for all ages.

Books are great. CDs in wrong order. Seller should have put in order. Like getting a movie that you have to rewind before watching (for those who remember the VCR).

I love them. they're perfect. I like to listen to books when I'm sewing and the cd's in this set are great. I haven't heard them all yet but the ones I've listened to are great and I'm sure the rest will be. thank you very much. the unabridged collection is going to be a great thing to have.

Three books in one. Enjoyed the first two I listened to. Still going through the third one, but it seems pretty good too.

James Patterson created an excellent group of professional women that appeal to other professionals. There was a short television series by the same name, that stayed true to the characters of the books. I always enjoy his audio books.

I am a new fan of this series

Love the Women's Murder Club. Have all in the series and look forward to each new one in the series.

I have enjoyed all three books within the set as I travel to and from my office each day. The full set took about one month to finish and I was so enthralled that I wanted to get back into a hot car to continue the story.
