I have only had these cards a day and already have had an amazing experience with them! I have heard from two psychic mediums that I have an unnecessary worry around money which I had no idea was an issue but could see how that might be. So, I thought these cards might help after first trying "Daily Guidance from your Angels oracle cards" for a month and a half. I started with the question, "what do I need to begin to welcome abundance into my life" and a card fell out while I was shuffling. The card was, "Sever Vows of Poverty". It had never occurred to me that I may have in a past life had a vow of poverty that was affecting me today. The card gave me instructions of how to release the vow and that I may feel a shudder as the pent-up energy was released and I did! I suspected my husband needed to do this too because some of my limiting beliefs around money are reinforced by him. I planned on having him do the same process of release I had but had him draw his own card first. It was the same card!!!! I was stunned and elated! He released the vows, not necessarily believing in it but not being opposed to try it. It remains to be seen what happens next but I am excited! It think it is absolutely astonishing that I got such a helpful and dead-on card so immediately.

Preordered these as a gift for my mom, who loves Doreen's decks. She's also in love with this one! Gorgeous cards, vibrant colors and no gold edging so they don't stick together. Easy to shuffle and draw. The cards themselves have a short description and the book goes into more detailed aspects of it. These are a total hit, and I highly recommend them.

I loved the cards! They are so wonderful at guiding and the book is kinda small but cute. The book allows you to understand the meaning of each card in a deeper form. It also helps you to know the necessary words to say before starting a ritual for the cards to be cleansed and blessed by God and the angels. PS : I SO LOVED THE COLORS OF EACH CARD.

Love these cards.

Great gift
