Classical Music Sticker Book (Sticker Reference)

Synopsis

Classical music sticker book A fascinating interactive introduction to the ever-popular world of classical music in which children can match the music-themed sticker illustrations to each topic and learn about great composers and styles of music. Arranged thematically, the topics include music for ballet, the orchestra, music and nature, and music and painting, with a QR code on each double page to listen to sample music on a smartphone or tablet (or via the Usborne Quicklinks website). Illustrated with paintings of musicians, composers and instruments, this book encourages children to learn all about classical music as they position each work of art in its right place. Includes internet links to find out more about classical music and listen to music played by the great orchestras of the world. Music samples arranged and produced specially for this book by Anthony Marks.
